

BREEDING SOURCE HUNT

Argh Mates!

Hello breeding source buccaneers! Grab your pirate mask and join the journey. Look for hidden breeding sources that be lurking in yer yard. Thar be there if you use your keen senses. Remember those pesky mosquitoes can lay over 200 eggs at ye time. Look for tiny wiggling larvae and dump out any water ye find!

Items to look fer':

- ✓ Flower vases filled with water
- ✓ Buckets
- ✓ Open containers
- ✓ Puddles or areas without proper drainage
- ✓ Ditches that hold water
- ✓ Plant saucers
- ✓ Wheel barrels
- ✓ Kiddie
