March 16, 2020

Richard Howard, District Manager of the Orange County Mosquito and Vector Control District, has declared a local emergency due to the escalating COVID-19 World-Wide Pandemic.

To keep the public and employees of the Orange County Mosquito and Vector Control District safe from the Coronavirus, all non-essential programs and activities are suspended until further notice. Effective immediately, the Orange County Mosquito and Vector Control District will be closed to public access. Additional restrictions may take place if conditions are warranted. For a full list of limited services, please visit www.ocvector.org.

The Orange County Mosquito and Vector Control District is open and will continue to respond to requests of the public by phone at 714-971-2421, or by email at ocvcd@ocvector.org. For further information and to subscribe to the District's eAlert notifications, please visit www.ocvector.org.

The Orange County Mosquito and Vector Control District's Executive Committee conducted an Emergency Teleconference Meeting at 11:30 am March 16, 2020 pursuant to California Government Code Section 54956.5 to consider this declaration.

The District encourages residents to follow CDC Coronavirus Guidelines <https://www.cdc.gov/coronavirus/2019-ncov/index.html>, practice social distancing, avoid mass gatherings, and promote personal hygiene.

This declaration will remain in effect until further notice.

Signed this 16th Day of March 2020.

Richard J. Howard, District Manager
Orange County Mosquito and Vector Control District

"An Independent Special District Serving Orange County Since 1947"

The mission of the Orange County Mosquito and Vector Control District is to educate and protect Orange County from vectors and prevent vector-borne diseases in an environmentally responsible manner.
